

So glad we have you on board for our 2018 100K4thCross charity bike ride!  
Here is all the information you need for the BIG event!

Date: July 14<sup>th</sup>

- Breakfast at 8:00 AM (Harbarenko Residence)
- Ride Starts at 9:30 AM
- Ride Finishes at 3:30ish PM
- Dinner at 5:30 PM (Harbarenko Residence)
- Campfire afterwards

This is an open event meaning bike riders, walkers, runners and rollerbladers are all welcome to attend. Unfortunately no motorized vehicles are permitted. Families are ENCOURAGED to participate but all riders under the age of 16 must be directly supervised by a parent during the entire event.

The bike ride route is on township road 654 and breakfast/dinner is at the Harbarenko Residence. There will be flag personnel at each intersection. There is also a rest stop (start) where you can leave your water/food etc. for the day. We will also have a support vehicle in case someone 'needs a lift'.

Camping spots are also available for riders and their families. Please pre-book and let us know what type of trailer you are bringing along with the number of people within your family/support team so we have enough for breakfast/dinner. You are responsible for your snacks/water during the bike ride.

A paper pledge sheet has been attached with this email. We are currently in the progress of constructing an online pledging tool at [www.muddyphilanthropy.ca](http://www.muddyphilanthropy.ca) Stay tuned for this. There is no minimum pledge amount to participate in this ride and all proceeds benefit [www.knightscabin.com](http://www.knightscabin.com) and the [Cross Cancer Institute's patient financial assistance program](#).

To date we have raised over \$203,000 through our little charity that could and cannot wait to add to this number with your support!

Be sure to like our Facebook page and follow us on twitter to get all the updates when they become available. If you have any further questions please send via our facebook page for a quick response. See you soon!
